

THANK YOU

PRECIOUS SMILES. PRICELESS MEMORIES.

Gratitude Report | 2017

“The most magical experience of my life...”

“loH has changed our lives!”

“You are truly amazing angels on earth. This is exactly what my family needed. You will never know how much this means to me, and I will forever appreciate this.”

“We can't even find the right words to express the amount of gratitude in my heart. We feel like our hearts could burst. We will be forever grateful.”

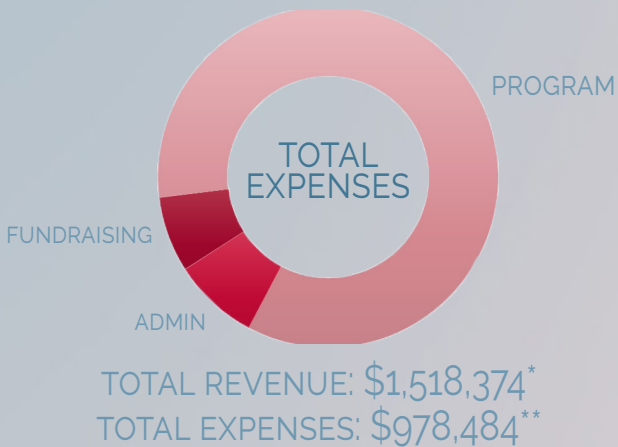

“We will be forever grateful for the memories and the relationships we made along with tools that we learned. This retreat reconnected my family. We return prepared and hopeful.”

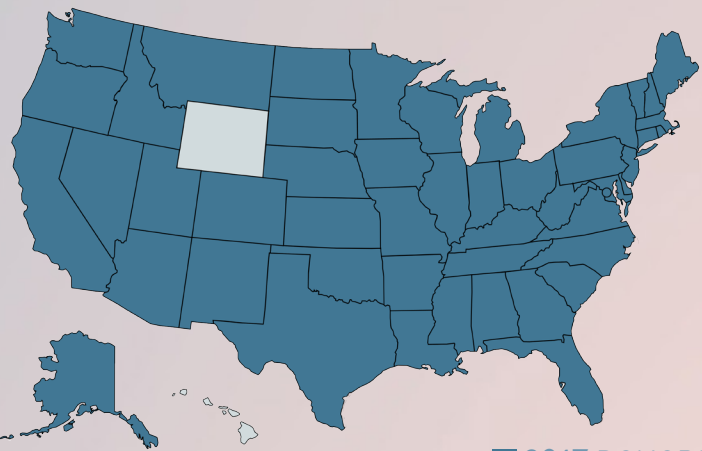

“I was excited about going to Disney for the first time in my life, but the part of loH that impacted me the most was the healing that it provided for my family. I couldn't see the brokenness inside myself until I had conversations with people my own age, going through the same thing.”

About You

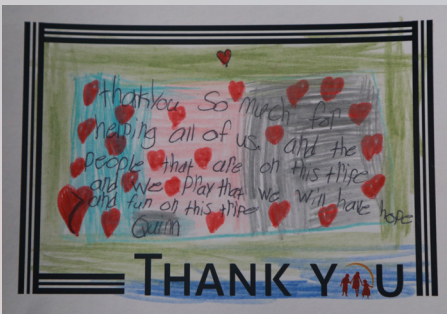

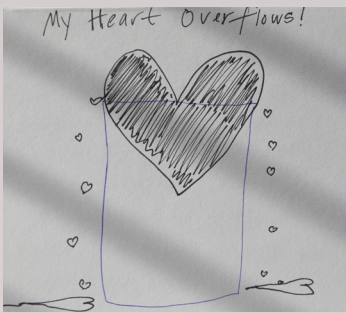

Legacy Video recorded at an loH retreat.

In 2017, we were touched by a note from an loH mother:

“Our middle daughter was sad today because **she couldn't remember how her dad's voice sounded.** It seemed like the right time to bring this precious gift out and I'm so grateful to you.”

It's a priceless gift that is only made possible because of you! Thank you!

we cannot express the amount of love and gratitude we feel for your selfless donation for our family to make lifelong memories and to have time to take a break from reality. This has been the most amazing experience and we cannot thank you enough. God bless you!

Growing Your loH Family

We're excited to welcome Tony Reid to our Board of Directors - our first board member who has been served by loH.

As a retired Senior VP in IT at Marriott, Tony's unique business strengths and background combined with his passion for loH make him a tremendous asset for the families you help serve.

In 2015, Tony attended a Legacy Retreat with his wife, Janet, and their three children, Morganne, Spencer, and Hannah. Janet was dealing with the enormous challenge of metastatic breast cancer. She passed away in 2015, but since then the memories and legacy of the retreat continue to inspire and sustain his family.
