GRATITUDE REPORT

INSPIRING HOPE IN YOUNG FAMILIES FACING THE LOSS OF A PARENT

“This was one of the best weeks of our life! We will be forever grateful for the memories created. My three children will forever have the keepsakes of this retreat and know that no matter what happens with their dad’s health, they are loved by so many people and are a part of a legacy bigger than themselves!”

“What an experience!!! Honestly, hands down, the BEST experience of my life...I feel so much more at peace than I was before. loH gave us so incredibly much more than a “vacation.” They gave us connections to others...They gave us tools and ideas for things we can do now to keep us connected to our families long after we’re gone.”

“There are no words to describe it [the Legacy Retreat®]! It still feels like it was all a dream!”

“It was so sad to leave our new Inheritance of Hope family... Nowhere else will there be that level of understanding and care that we received on this retreat. My family truly was SERVED. I don’t think I really knew what that word meant before... I cannot thank you all enough.”

“One of the best experiences in my life!”

“I could not ask for a more amazing group of staff and volunteers. loH is the real deal! An incredible group that provides once-in-a-lifetime trips...The friendships we formed, the tools we gained, and the memories we made will last a lifetime.”
