INHERITANCE of

GRATITUDE REPORT

BEST YEAR YET?!?

2020 was a year to remember.

The uncertainty the world has faced is similar to the uncertainty Inheritance of Hope families face every day.

Despite a pandemic, our team continued to work tirelessly, from home, to **inspire hope in families facing the loss of a parent.**

Families can't wait, so we didn't wait!

Made possible because of YOU!

NEW OFFERINGS

In addition to our signature Legacy Retreat®, an all-expenses-paid experience where families create lifelong memories & receive tools to navigate the challenges of terminal illness, our team has created opportunities for more resources & relationships for Inheritance of Hope families.
