2021

4x

more services delivered

BECAUSE
OF YOU!

YOUR IMPACT

2021 delivered 4 times more services to young families facing the loss of a parent than any prior year!

Those services were so meaningful that a record number of family members previously served chose to pay it forward and volunteer for the benefit of other families.

All because of your support last year!

Thank you for making a life-changing impact for a fraction of the 3.7 million children (in the U.S. alone) facing the loss of a parent before turning 18.

IN THEIR OWN WORDS >>>>

"I am grateful for Inheritance of Hope because there are a lot of people out there without a support system. And y'all are a support system. I need you."

Hope@Home™ Groups & Vision 2021 participant (teenager)

"I could never in a million years thank Inheritance of Hope enough for this weekend and what they have done for my family."

Hope@Home™ Weekend participant

"Just made my first Legacy Video. Thank you for this beautiful opportunity. I know my family will cherish it. I'm so thankful for all of the staff and volunteers. None of this is possible without you. Thank you from the bottom of our hearts."

Hope@Home™ Weekend participant

"I love Inheritance of Hope! No matter what, loH will always be here for everyone."

Legacy Retreat® (2018) & Hope@Home™ Groups participant (age 10)

"I am constantly motivated to continue volunteering because of the connections we as volunteers make and the connections we see the teens make with each other. I have seen them grow from being strangers to people who talk to each other all week outside of our group."
