

"Every Family Deserves a Legacy"

In Their Own Words...

"The credit union difference was definitely felt in Nashville. Our families experienced a hope-filled community that will continue to care for them, and Tennessee credit unions played a big part in making it happen. We are grateful for people helping people and look forward to growing our partnership to reach more of the 3.7 million U.S. children who are facing the loss of a parent."

"This was one of the best weeks of our life! We will be forever grateful for the memories created. My three children will forever have the keepsakes of this retreat and know that no matter what happens with their dad's health, they are loved by so many people and are a part of a legacy bigger than themselves!"

"Words can't describe how wonderful this organization is. This has been the memory of a lifetime for our family."

"I am grateful for Inheritance of Hope because there are a lot of people out there without a support system.

And y'all are a support system. I need you."
