

VISION SCHEDULE

11am-noon ET: "Looking Back"

"Looking back" celebrates the early days of Inheritance of Hope. We'll honor our founders and hear stories from them and people personally impacted by them. Bring your competitive spirit -- there will be loH trivia for a chance to win prizes!

1-2pm ET: Family Music Hour

Andrew Best always performs "the best" for our young people! His interactive musical presentation will leave your kiddos smiling. And, you never know what type of instrument or character will make an appearance!

3-4pm ET: "Looking Around"

"Looking Around" will celebrate our 15-year anniversary, take a look at some of our new programs, and hear stories from around loH these days. For a chance for a story you love to be featured, email info@inheritanceofhope.org! There will also be exclusive loH swag to be won!

5-6pm ET: Kids' Time

Back by popular demand Charlie Garrison returns to Vision. His quirky antics, entertaining delivery, and inspiring message is always a favorite with kids and their parents!

7-8:30pm ET: "Looking Ahead"

"Looking Ahead" lets you meet some of the loH team and hear stories that give glimpses of what's next. loH CEO Aaron Hedges will also offer a big picture vision of where we're going and how you can be part of it. Did we mention, there will be prizes?!

8:30-9pm ET: Worship Time

Wind down the day as Jeff Zabel (guitar, vocals), Rachel Streelman (vocals), and their team lead us in worship.

9-10pm ET: Teen Hangout

Our Teen Group has been a popular offering at Hope@Home™ Groups and Weekends. It's a safe space to hang out with other teens that "get it" and have fun with friends old and new.
