

-OPEN POSITIONS-

Context: *Inheritance of Hope embraces young families who are impacted by a parent's terminal illness. One way we provide resources, relationships, and care to the entire family is through our [Hope@Home™ Groups](#) and [Hope Hub™](#). Each member of the family (Preschool to young adults, diagnosis specific to caregivers, life after loss to intentional living) have an opportunity to engage in an hour-long Zoom call or monthly on-site groups to experience a sense of belonging and connection with a community of others who "get it". Short term commitments, but long-term, meaningful gains!*
