

**A COMMUNITY  
THAT “GETS IT.”  
BECAUSE OF YOU!**

## YOUR IMPACT

## THE HOPE-FILLED COMMUNITY YOU PROVIDE

Meet Emma and Ophelia (on the cover). They became fast friends at Inheritance of Hope last year. They uniquely understand each other, and they know they are not alone because of your generosity in 2022. Thank you!

## IN THEIR OWN WORDS

“

Life-changing connections and resources to help families through the most challenging times of our lives.

”

A truly life-changing experience. The memories we made with each other are priceless.

“

IoH has real people that really care.

I don't know if I can articulate accurately the love that I have felt. There has been such care taken to make sure that every single detail of this weekend has been perfect for my family. I am so grateful, it feels like a dream. Thank you!

”

While my mom has since passed, I am grateful for the memories I made with my parents and the Legacy Video my mom created. This priceless gift is a way for me to remember my mom's legacy and feel her love through the words she shares.

”

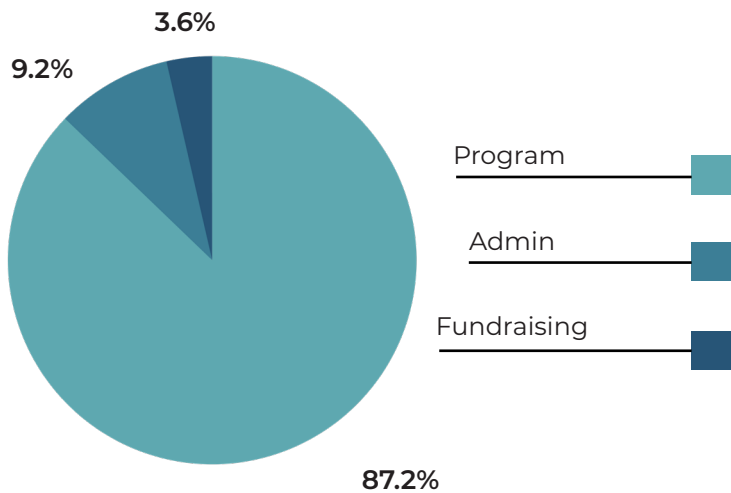

“

Thank you, thank you, thank you for forming a community among the Kid's Group, Teen Group, caregivers, and the many other populations you serve.

Inheritance of Hope has made my family realize that we are not alone in our journey through terminal illness. It is so special being able to talk about the good, the bad, and the ugly of terminal illness with peers my own age, as well as talk about the hardships of being a young adult with a parent with a terminal illness.
